

IAC 2022

14th - 16th July 2022

IAC presentations and activities

Symposiums

Paper sessions

Poster sessions

Preconference Workshops

**The Lighthouse MBT-P
Training Workshop**

DAY 1 - JULY 14TH

8.30H-9.30H	Keynote speaker: Everett Waters					
9.30H-10.30H	Keynote speaker: Pasco Fearon					
10.30-11.00H	Coffee Break				Poster Session "Attachment/Parent-child relationships and outcomes"	
					1st Poster Session	
11.00-12.30H	Child and Adolescent Global Mental Health Invited Symposium - Miriam Steele Hybrid	Early Caregiving and the Development of Language Competence: A View from Meta-Analyses Chair: Or Dagan Discussant: Elizabeth Meins Hybrid	Parental mentalizing: Advances in research and practice for families at risk Chair: Amanda Zayde Discussant: To be confirmed Hybrid	Assessing Caregiving Patterns for Intervention with Foster and Adoptive Parents Chair: To be confirmed In person	Paper Session "Attachment and Family"	Paper Session "Attachment and Parental Care"
	Symposium Session 1.1	Symposium Session 1.2	Symposium Session 1.3	Symposium Session 1.4	1st Paper Session	2nd Paper Session
12.30-14.00H	Lunch					
14.00-15.00H	Keynote speaker: Kathryn Kerns					
15.00-16.30H	Increasing scientific rigor and impact by standardization of constructs and measures Chair: Marije Verhage Discussant: Robbie Duschinsky Hybrid	New Advances in Use of the Child Attachment Interview Chair: Francesca Penner Hybrid	Video-Feedback Interventions for Parents and Children Chair: Pasco Fearon Discussant: Pasco Fearon In-person	Online interventions aimed at reducing maternal depressive symptoms and promoting mother-infant bonding during the peripartum period Chair: Catalina Sieverson Discussant: Catalina Sieverson Hybrid	Paper Session "Attachment and transition to parenthood"	Paper Session "Attachment and parental sensitivity"
	Symposium Session 2.1	Symposium Session 2.2	Symposium Session 2.3	Symposium Session 2.4	3rd Paper Session	4th Paper Session
16.30-17.00H	Coffee Break				Poster Session "Attachment/family relationships and adverse childhood experiences"	
					2nd Poster Session	
17.00-18.30H	Scaling up and scaling out Sustainable and responsible Dissemination and implementation of attachment-based assessments Invited Symposium - Carlo Schuengel Chairs: Carlo Schuengel and Robbie Duschinsky Discussant: Pehr Granqvist Hybrid	Exploring the association between attachment and callous-unemotional traits across development Chair: Stephanie Craig Virtual	Childhood Maltreatment and Attachment Narratives Chair: Camille Danner Touati and Aino Sirparanta Hybrid	Attachment, Trauma and War: the urgency of a new wine for these old wineskins Mario Mikulincer, Daniel Schechter and Susana Tereno Virtual	Paper Session "Attachment and Risk Contexts (Parental)"	Paper Session "Parent-child relations, quality of relationships and predictors"
	Symposium Session 3.1	Symposium Session 3.2	Symposium Session 3.3	Roundtable	5th Paper Session	6th Paper Session

DAY 2 - JULY 15TH

8.30H-9.30H	Keynote speaker: Brian E. Vaughn						
9.30H-10.30H	Keynote speaker: Helen Minis						
10.30-11.00H	Coffee Break			Poster Session " Attachment, background and predictors"			
				3rd Poster Session			
11.00-12.30H	Virtual Adaptation of Connect, an Attachment-based Program for Parents of At-risk Teens: Implementation, Evaluation and Lessons Learned in Canada, Italy, Sweden, South Africa and Mexico Invited Symposium – Marlene Moretti Hybrid	Mentalization and attachment-based interventions during early childhood Chair: Stefanelle Costa In-person	Broadening the scope of parental insightfulness: Fathers, mothers, ethnic group, and children with special needs Chair: Yair Ziv Discussant: Miriam Steele In-person	Paper Session “ Attachment as a predictor in the transition to adulthood”	Paper Session “Attachment representations and predictors”	Paper Session "Attachment, Media and Routines"	
	Symposium Session 4.1	Symposium Session 4.2	Symposium 4.3	7th Paper Session	8th Paper Session	9th Paper Session	
12.30-14.00H	Lunch						
14.00-15.00H	Keynote speaker: Tommie and Sophie Reijman						
15.00-16.30H	Japanese infants' and preschoolers' attachment behaviors during the Strange Situation: Let's watch together Chair: Tomotaka Umemura Discussant: Hoi Shan Cheung and Jean-François Bureau Hybrid	In Search of Attachment-Based Interventions for School-Age Children Chair: Brian Allen In-person	Assessing Patterns of Insecurity and Disorganization in the Attachment Script Assessment: Evidence for Predictive Validity Chair: Ashley Groh Virtual	Attachment clinical research, bridging the gap between science and clinical practice: Contributions from the Francophone Attachment Network Invited Symposium - Susana Tereno Chair: Susana Tereno Discussant: Raphaële Miljkovitch	Paper Session “Attachment and Risk Contexts (Institutions)”	Paper Session “Attachment, background and predictors”	Paper Session “Attachment and COVID-19”
	Symposium Session 5.1	Symposium Session 5.2	Symposium Session 5.3	Symposium Session 5.4	10th Paper Session	11th Paper Session	12th Paper Session
16.30-17.00H	Coffee Break			Poster Session "Quality of caregiving in the family context and beyond"			
				4th Poster Session			
17.00-18.30H	Attachment development as a safety conditioning process: exploring dynamic and biological processes Chair: Marian Bakermans-Kranenburg In-person	Turn off your state of mind, relax, and float downstream – Attachment and psychedelics Chair: Pehr Granqvist Hybrid	Fostering mentalization in attachment-based interventions with parents/carers of vulnerable adolescents Chair: Paula Mena Matos and Helena Carvalho In-person	Couple & Parents: Interplay Between the Attachment and Caregiver Behavior Systems to Children's Psychological Adjustment Chair: Tiago Ferreira and Paula Mena Matos Discussant: Philip Cowan and Carolyn Pape Cowan Hybrid	Going far together: a roundtable on collaborative attachment research Rodrigo Cárcamo, Or Dagan, Marinus H. van IJzendoorn, Sheri Madigan, Glenn I. Roisman, Carlo Schuengel and Marije L. Verhage	Paper Session “Attachment, Psychotherapy and Psychopathology”	Attachment asian group Hybrid
	Symposium Session 6.1	Symposium Session 6.2	Symposium Session 6.3	Symposium 6.4	Roundtable	13th Paper Session	Special Meeting

DAY 3 - JULY 16TH

8.30H-9.30H	Keynote speaker: Guy Bosmans					
9.30H-10.30H	Keynote speaker: David Oppenheim					
10.30-11.00H	Coffe Break					Poster session "Attachment/ family relationships in at-risk clinical populations"
	5th Poster Session					
11.00-12.30H	Adversities and attachment representations in children and adolescents in the child protection system Chair: Stefania Muzi Hybrid	Disorganization from Infancy to Adulthood: Links with Parenting and Adjustment Chair: Laura Brumariu In-person	Supporting parents in child feeding, sleeping and crying: evidence from the perspective of attachment and sensitivity Chair: Maartje Luijk In-person	Lifespan perspective on attachment: from infancy to parenthood Chair: Jean-François Bureau Hybrid	Paper Session "Attachment and Neurodevelopmental disorders"	Paper Session "Attachment and Psychopathology"
	Symposium Session 7.1	Symposium Session 7.2	Symposium Session 7.3	Symposium Session 7.4	14th Paper Session	15th Paper Session
12.30-14.00H	Lunch					
14.00-15.00H	Keynote speaker: Kathryn L. Humphreys					
15.00-16.30H	Joint SIRG FCAR and SoNeAt Symposium: Advances in Research on Father-Child Relationships- an Attachment and Social Neuroscience Perspective Chair: Pascal Vrticka Hybrid	Mentalizing Abilities and Mentalization-Based Skill Trainings Chair: Paula Sterkenburg In-person	Parenting, psychopathology, and well-being Chair: To be confirmed In-person	Paper Session "Attachment and Risk Contexts"	Paper Session "Attachment and Non Parental Care"	
	Symposium Session 8.1	Symposium Session 8.2	Symposium Session 8.3	16th Paper Session	17th Paper Session	
16.30-17.00H	Coffe Break				Poster session "Adult attachment representations and parenting"	
	6th Poster Session					
17.00-18.30H	Should we be striving for consistency? Questions arising when observing parenting and attachment across caregivers, cultures, settings, and/or collection modes Chair: Anne Rifkin-Graboi Hybrid	Lessons for attachment theory by including fathers and representational measures in mind-mindedness research Chair: Sarah Foley Hybrid	SIRG SoNeAt Session Pascal Vrticka	Paper Session "Quality of relationships and developmental outcomes"	Paper Session "Attachment and Parental Care II"	
	Symposium Session 9.1	Symposium Session 9.2	Special Meeting	18th Paper Session	19th Paper Session	

POSTER SESSIONS

Poster Session 1	Poster Session 2	Poster Session 3	Poster Session 4	Poster Session 5	Poster Session 6
"Attachment/Parent-child relationships and outcomes"	"Attachment/family relationships and adverse childhood experiences"	"Attachment, background and predictors"	"Quality of caregiving in the family context and beyond"	"Attachment/family relationships in at-risk clinical populations"	"Adult attachment representations and parenting"
ARE THE CHILDREN ALRIGHT? A SYSTEMATIC REVIEW OF PSYCHOLOGICAL ADJUSTMENT OF CHILDREN CONCEIVED BY ASSISTED REPRODUCTIVE TECHNOLOGIES	The interplay between attachment, maltreatment and affect regulation difficulties for adolescents during the COVID-19 lockdowns (6712)	Stability of attachment from infancy to middle childhood attachment: First cross modal assessment of continuity of attachment security in Japan (6651)	Early Maternal Caregiving: A Conceptualization of Maternal Compassion Preoccupation (6689)	Child-Dog Attachment, Emotion Regulation and Psychopathology: The Mediating Role of Positive and Negative Child-Dog Behaviours (6614)	Associations of adult attachment state of mind with parental reflective functioning and early postnatal bonding (7068)
Attachment as a Moderator of the Effect of Bullying on Self-esteem in Young Adolescence (7052)	Associations between Childhood Maltreatment and Child Behavior Problems in Kenya: Mediating Role of Personality Characteristics (7055)	Modelling Adolescent Attachment with a Network Approach (7059)	Maternal sensitivity during mealtime and free play: Differences and explanatory factors (7229)	Father-Adolescent Attachment as a Moderator in the Associations between Paternal Depression and Strain, and Adolescent Depression (7066)	Fathers' Attachment Representations: Deleterious effects of idealization of the father on marital quality and caregiving (7125)
Children's attachment representations and self-concept (7132)	Exploring the consistency of attachment representations between adoptive mothers and children in comparison with non-adoptive dyads (7254)	Parent-Child-Peer Relationships in Early Adolescence (7087)	Association between attentional bias toward infant faces and parental involvement in childcare (7273)	Preliminary effects of the in-person and online Parent-Child Interaction Therapy-Based Turtle Program targeted at inhibited preschoolers in parenting practices	Mediating role of anxiety on the link between attachment and parental burnout in the postpartum period (7162)
Executive function in preschool children: the implication of family interactions (7185)	Mentalization Skills Reduce Parent/Child Dysfunctional Interactions for those Foster Parents with more ACEs (6579)	The Relationship between Maternal Autonomy Support and the Quality of Attachment: The Case of Muslim Mothers from Arab society in Israel (7080)	Quality of mothers' and fathers' parenting behaviors (sensitivity): the role of work and father involvement	Cannabinoid Treatment for Behavior Problems of Children with ASD: Impact on Child-Parent Interaction (7062)	Mediating effect of emotional regulation in the link between parental attachment and mental health in women in late pregnancy (7231)
The association between parent-child relationship quality and kindergarten children's ability to freely verbalize and regulate their emotions (7222)	Suicidal risk among adult survivors of childhood maltreatment: the role of parent-child contact with biological parent during out of home placement (7196)	Sexy Attachment: A Cross-lag Analysis of Sexuality and Attachment in Newlywed Couples (6787)	How matrilineal Mosuo's father is involved in raising his children (7238)	Conversational narcissism in marriage: Relations with fathers' caregiving over the transition to parenthood (7216)	Unresolved States of Mind and Dysfunctional Caregiving Behaviors: A Systematic Review (6705)
Association between maternal insightfulness and kindergarteners' classroom behavior (7230)	Does Maltreatment and Parent-Child Attachment Predict Teen Dating Violence and Risky Sexual Behaviour? (7232)	Validation of the Slovenian Affective Neuroscience Personality Scale (7241)	Evaluating Maternal Sensitivity in Rural Andean Peru: Situations and Measures matter (6866)	Maternal reflexive functioning, parenting stress and child attachment in a clinical sample of preschool children (7169)	Maternal antenatal attachment and mental health in the context of COVID-19 (6710)
The role of Attachment and Social Acceptance on the development of Self-Esteem during childhood	Developmental course of Reactive Attachment Disorder and Disinhibited Social Engagement symptoms after adoption (7255)	A self-comfort-oriented pattern of regulatory behavior and avoidant attachment are more likely among infants born moderate-to-late preterm	VIPP-School: Using video-feedback to enhance teacher sensitivity (7079)	Attachment Security in a Dyadically-Informed Perinatal Partial Hospitalization Program (PHP) [7233]	Comparing Attachment Representations among Internationally Adoptive Parents and Non-Adoptive Parents Using the Adult Attachment Interview (AAI) (7101)
Easing infants' transition to center-based child care using a video-feedback intervention for professional caregivers and parents: A feasibility study (7197)	Childhood trauma increases vulnerability to attempt suicide in adulthood through avoidant attachment (7256)	Determinants of attachment in Portuguese infants born very/extreme preterm	Qualitative User Feedback of a New Clinical Training Tool for an Attachment-Based Intervention - Clinical Immersive Training Experience (CITE)		Stress levels and attachment in an Italian group of pregnant women (7145)
Attachment and the development of prosocial behaviors and empathy in children and adolescents: A systematic review (7259)		Maternal Sensitivity and Child Attachment: A Meta-Analysis Revisited (7267)	The Influence of Insecure Attachment of ECEC Teachers on Their Social Intelligence: Examining the Serial Mediating Effect of Their Mindfulness and Depression (7065)		Relations between adult attachment, parental stress and parenting social style in mothers of children with autism spectrum disorder, learning disabilities and typical development (7272)

PAPER SESSIONS (DAY 1)

Paper Session 1	Paper Session 2	Paper Session 3	Paper Session 4	Paper Session 5	Paper Session 6
Attachment and Family	Attachment and Parental Care	Attachment and transition to parenthood	Attachment and parental sensitivity	Attachment and Risk Contexts (Parental)	Parent-child relations, quality of relationships and predictors
A family-based smartphone-based intervention to reduce maternal postnatal depression symptoms and promote family health among Chinese families (6605) In-person	Associations Among Parental Caregiving Quality, Cannabinoid Receptor 1 Expression-Based Polygenic Scores, and Infant-Parent Attachment: Evidence for Differential Genetic Susceptibility? (7263) Virtual	Validating the Coding Interactive Behavior instrument in mothers with postnatal depression and fathers of infants (7220) Virtual	Caregiving Antecedents of Secure Base Script Knowledge Inferred from the Adult Attachment Interview: A Comparative, Pre-Registered Analysis (7041) In-person	Can a parenting intervention in primary care change mothers' representations of their infants? A randomized controlled trial of the effect of a video-feedback parenting intervention in a low- moderate risk community sample (7131) In-person	Heritability of parenting: A polygenic approach (6646) In-person
The Contribution of adolescents' attachment representations, and autonomy-relatedness behaviors with parents to Young Adults' Psychosocial Adaption (7258) In-person	The Effect of Circle of Security Parenting Program (COS-P) on Maternal Mentalization and Emotion Socialization in Low-SES Mothers from Turkey (7129) In-person	The Maternal Disintegrative Responses Scale (MDRS) and its associations with attachment orientation and childhood trauma (6688) In-person	Parents' Secure Base scripts: associations with parental sensitivity and sensitive discipline (7100) In-person	Concepts Travel Faster than Thought: An Empirical Study of the Use of Attachment Classifications in Child Protection Investigations (7064) In-person	Biologically embedded caregiving in early childhood: The attachment hierarchy (7250) Virtual
Assessment of parental sensitivity in daily practice: Introducing the OK!app and e-learning package (7260) In-person	Promoting Language Equity in the Community Implementation of Attachment & Biobehavioral Catch-Up with Spanish-Speaking Parent Coaches and Latino Families in the United States (7048) In-person	Congruence and Incongruence of Infants' Early Interactive Behavior and Their Associations with Attachment in a Sample of Infants Born Full Term and Infants Born Very Virtual	The contributions of maternal postnatal oxytocin and sensitivity to infant attachment and preschool behavioral outcomes (7050) Virtual	Copenhagen Infant Mental Health Project (CIMHP): A randomized controlled trial evaluating the efficacy of Circle of Security- Parenting in an at-risk community sample (7137) In-person	The Significance of Mothers' Neural Responding to Infant Cues for Caregiving Behavior (7057) Virtual
Test-retest reliability of the Friends and Family Interview: preliminary data (7113) Virtual	Parental stress among parents of young children—the role of attachment orientation, self-awareness, quality of marital relationship and child's temperament (6630) Virtual	Do Postnatal Anxiety and Depressive Symptoms “invade” Attachment Script Narrative Assessment? (7187) In-person	Testing the sensitivity hypothesis in child-mother dyads from three Latin-American countries (7264) In-person	A “Budding” International Collaboration to Support a South African Community (7208) In-person	

PAPER SESSIONS (DAY 2)

Paper Session 8	Paper Session 9	Paper Session 10	Paper Session 11	Paper Session 12	Paper Session 13
Attachment representations and predictors	Attachment, Media and Routines	Attachment and Risk Contexts (Institutions)	Attachment, background and predictors	Attachment and COVID-19	Attachment, Psychotherapy and Psychopathology
Can we measure implicit attachment-related knowledge on-line? Secure Base Script assessment in different modalities (7189) In-person	The associations between maternal playfulness, technofence and children's technology, and digital media usage (7128) In-person	The Effect of Attachment and Child Health (ATTACHTM) Parenting Program on Parent-Infant Attachment and Parental Reflective Function (7205) In-person	Infant attachment configuration network with mother and father and mental health (7138) Virtual	Parents and Early Learning in the Covid-19 Pandemic: A qualitative analysis of parent engagement, play, and continuity of learning in an environment of stress (7076) Virtual	The Effect of Psychotherapy on Adult Attachment Insecurity: A Systematic Review of the Empirical Literature (6694) In-person
Maternal Anxious Attachment is Associated with Less Brain-to-Brain Synchrony in Mother-Child Dyads During Co-Viewing (6669) Virtual	Attachment, food parenting practice, family routines and childhood obesity: a systematic review of the literature (7108) In-person	The effects of adverse childhood experiences on mother-infant interactions and infant development: The "Orim" national early intervention project in Israel (6939) In-person	ATTACHMENT SECURITY IN INFANTS AND PRESCHOOLERS: ARE THEY DIFFERENT IN LATIN-AMERICAN SAMPLES? (7268) In-person	The Contribution of Attachment Orientation and Personal Resources to First-Time Parents' Perceptions of the Infant in the shadow of COVID-19 (6629) Virtual	Profiles of Emotion Socialization and Associated Outcomes in a Clinical Adolescent Sample (6841) Virtual
Discourse coherence and syntactic integration: A qualitative illustration from mothers' brief speech samples (6811) Virtual	The role of parental mentalization and emotion regulation in the academic context: the importance of reducing parental control and negativity during homework (7266) In-person	Careworkers' Affect Regulation in Youth Residential Care: A Preliminary Study of the Psychometric Properties of the Affect Regulation Checklist (7182) In-person	Parental predictors of infant-father attachment (7139) Virtual	The role of attachment styles on mental health during COVID-19 pandemic in an Italian population (7198) Virtual	44 Unresolved/disorganized patients: their discourse and behaviour in psychotherapy (7143) Virtual
Speak Your Mind: The Relationship between Mindfulness and Maternal Attachment as measured by the Adult Attachment Interview (7051) In-person		Attachment State of Mind and Trauma in Mother and Baby Home Adoptees (6747) Virtual	Dynamic processes in mother-infant interaction underlying attachment quality: A time-series approach (7133) In-person	'It is his kid as much as mine': Coparent exclusion, parent attachment and perinatal mental health during Covid-19 in Sweden (7188) In-person	Hyperactive mentalizing leads to borderline symptoms, against the background of adverse childhood experiences (7058) Virtual

PAPER SESSIONS (DAY 3)

Paper Session 14	Paper Session 15	Paper Session 16	Paper Session 17	Paper Session 18	Paper Session 19
Attachment and Neurodevelopmental disorders	Attachment and Psychopathology	Attachment and Risk Contexts	Attachment and Non Parental Care	Quality of relationships and developmental outcomes	Attachment and Parental Care II
Resolution of the Child's Diagnosis, Representations of the Child, and Emotional Availability: A Study of Mothers and Fathers of Children with ASD (7035) In-person	Relationship between Internal Working Models of Attachment, Self-Report Measures of Attachment, and Maladaptive Personality Traits in a Clinical Sample of Adolescents (7140) Virtual	Childhood Psychological Maltreatment & Adult Attachment, Mental Health, Conflict, & Coparenting in Stressful Contexts (7151) Virtual	Maternal experiences with professional health care for excessive infant crying: On the relevance of being sensitive towards maternal needs (7219) In-person	Spontaneous movements of preterm-born infants at 3-5 months predict their social competence at school-age: The mediation role of mothers' emotional availability and children's motor skills (7075) In-person	Attachment and Biobehavioural Catch-up for children with developmental delays: Outcomes and reflections from a South African multiple-baseline experimental study (7207) Virtual
The Parent-Child Attachment Relationship in Toddlers with Autism Traits (6709) Virtual	Investigating mental functioning through the Child Attachment Interview: a challenge in adolescence (7172) In-person	Attachment in Middle Childhood Among Foster and Adopted Children: Preliminary Validation of a Behavioral Observation System (7234) In-person	Is it possible to strengthen bonds without breaking hearts? The relational paradox within residential care (6607) In-person	What more to assess? Beyond Parental Sensitivity in predicting child developmental outcomes: Results from the NICHD study (7261) In-person	Longitudinal change and stability of pretend play in mothers and children aged 18 to 59 months (7044) Virtual
One-year follow-up study on attachment-based parenting intervention's effects on Japanese mothers of children with autism spectrum disorder (7045) Virtual	The father and his anorectic daughter (7194) In-person	Emotional processing in Portuguese adolescents in institutional care In-person	Attachment sensitive practices at schools: the innovative contribute of "Thinkspace" (7252) Virtual	Maltreatment by Fathers and Externalizing Behavior Problem: The Effect of Child Personality (7054)	Maternal sensitivity, child attachment security, and risk factors in rural Andean Peru (6862) In-person
Exploring the interaction of adolescents with intellectual disability and their mothers using the joint painting procedure (7093) In-person	Do cognitive functioning and psychopathology impact the quality of parent-child relationships in mothers with Substance Use Disorder? (7257) In-person	Parent-Child Relationships Shape Pubertal Development in Pre- and Early-Adolescents Boys and Girls (7086) In-person	Promoting the Child Attachment Network through Parent-Teacher Interactions during Preschool Transition (7056) In-person	How to support children's motor skills? Exploring associations between parenting behaviors and children's motor coordination (7226) In-person	Parent Child Interaction Therapy-Toddlers (PCIT-T): Using live coaching to enhance parental sensitivity, reflective functioning, and child behaviour (7074) Virtual

IAC 2022 GIVES A SPECIAL THANKS TO SEAS EXECUTIVE BOARD MEMBERS, LOCAL ORGANIZING COMMITTEE MEMBERS, WILLIAM JAMES CENTER FOR RESEARCH, STUDENTS FROM THE MESTRADO EM PSICOLOGIA E PSICOPATOLOGIA DO DESENVOLVIMENTO AND VOLUNTEERS FOR THEIR IMMENSE SUPPORT IN THIS YEAR'S IAC.

SEAS EXECUTIVE BOARD

MARIAN BAKERMANS-KRANENBURG, THE NETHERLANDS

NICOLA CARONE, VICE-PRESIDENT, AND TREASURER, ITALY

PASCO FEARON, PRESIDENT, UNITED KINGDOM

MARLENE MORETTI, CANADA

CARLO SCHUENGEL, THE NETHERLANDS

DAVID OPPENHEIM, SECRETARY, ISRAEL

HOWARD STEELE, PAST PRESIDENT, USA

BRIAN ALLEN, ASSOCIATE MEMBER, USA

PASCAL VRTICKA, ASSOCIATE MEMBER, UK

LOCAL ORGANIZING COMMITTEE

ANTÓNIO J . SANTOS , ISPA-INSTITUTO UNIVERSITÁRIO

SUSANA TERENO , UNIVERSITÉ DE ROUEN

LÍGIA MONTEIRO , ISCTE-INSTITUTO UNIVERSITÁRIO DE LISBOA

CARLA FERNANDES, ISPA-INSTITUTO UNIVERSITÁRIO

EVA DINIZ, ISPA-INSTITUTO UNIVERSITÁRIO

MARYSE GUEDES, ISPA-INSTITUTO UNIVERSITÁRIO

MARÍLIA FERNANDES , ISPA-INSTITUTO UNIVERSITÁRIO
